

# ASPECTS

## // No More Silos—With Hence

Photograph Dirk Collins

Thanks for following Hence, and welcome to *Aspects*, the Hence community's newsletter. Here you'll find the latest updates on the Hence platform including feature, content, and merchandise drops; news and insider advice from your peers and mentors; as well as save-the-date notices for events, educational forums, and more. Once the software is live—soon!—and creatives and athletes can build their profiles on Hence, you'll read about it here first. Don't silo yourself away. Stay connected with the world's top talent by subscribing free to *Aspects*.

## // Meet a Creative

[Read More](#)

Get to know the documentary filmmaker and photographer **Jordan Manley**, whose career has grown from shooting ski action, to documentary work, to creating feature-length films for the likes of Arc'Teryx and Patagonia.
